Pontotoc Pumpkin Pursuit

2011

October 15th, 2011 9:00am

The Ada Area Cycling Club presents the second annual Pontotoc Pumpkin Pursuit in Ada Oklahoma.

Join us October 15th for a scenic bicycle ride in south central Oklahoma. We will have a 10, 28, 45, and 62 mile ride options. You can ride this event at a leisurely pace, or you can push it for all you've got as a late season race training ride. Either way you should come out and enjoy a good ride with your fellow cyclists.

About the Ada Area Cycling Club

The Ada Area Cycling Club promotes all types of cycling. Regular road rides are Tuesdays and Thursdays at 6pm from Wintersmith park.

All proceeds to benefit the Valley View Foundation

The Valley View Foundation is the philanthropic organization of Valley View Regional Hospital. The Foundation is responsible for raising funds for the benefit of our local, community hospital. Monies raised by the Foundation are donated to the hospital. Several projects that have benefited from the generous support of our community include the Heart Cath Center and the Cancer Treatment Center. Equipment purchases include Pediatric Crash Carts for the use of our littlest patients.

The Ada area has a long standing tradition of supporting Valley View Regional Hospital. In the 1930's, community supporters rallied together to raise money to build the first Valley View. Throughout the years, the citizens of this 9 county area have enjoyed quality healthcare, close to home. The continued support of the community will ensure that our children and grandchildren will enjoy the same high quality healthcare for years to come.

NOTICE: The entry/release form must be signed by applicant and applicant's guardian (if under 18). **Please read carefully** I fully realize the dangers of participating in a bicycle ride and fully assume the risk associated with such participation, including my way of example, and not limited to the following: falls, the danger of collision with pedestrians, vehicles, the effect of weather including heat and/or humidity, and the possibility of serious physical and/or mental trauma or injury associated with cycling events.
